A mystery game show where all the players are suspects!

Synopsis

Crime Scene is a studio based mystery game show where all the players are suspects! Through a mixture of role play and race-against-time competition, six people are tasked with finding the real “criminal”. The mystery unfolds in re-enacted crime scenes where the players discover various clues and the one player who is the “real criminal” must try and mislead the others.

If five contestants correctly identify who the “real criminal” is, they walk away with the prize. However, if the “criminal” successfully deceives the rest of the group – they alone take home the money...who says “crime” doesn’t pay?
